Speech-Language Pathologist 1.0 FTE SIGNING BONUS OFFERED

Come join our growing team!!

You can't beat this location! Lethbridge is one of the sunniest cities in Canada with an average of 320 days of sunshine each year and one of the warmest winters in the western provinces. The location is wonderful for the outdoor enthusiast. It includes a beautiful trail system through the river valley and is in close proximity to world class ski resorts in the Canadian Rockies, majestic national parks, and located close to larger centres.

This position offers:

- Flexibility
- Competitive wages
- Benefits and RRSP plan
- Professional development account
- Support with material preparation and documentation
- Weekly case consultation
- Clinical supervision and mentorship
- Access to assessment tools and client resources
- A professional work space with large meeting rooms, smaller treatment spaces and individual office spaces
- Positive work environment with a supportive work culture
- Support of a multidisciplinary team and the ability to work collaboratively with other professionals including Behaviour Consultants, Counsellors, Speech-Language Pathologists, and Occupational Therapists.

We are dedicated to improving the lives of children, youth, and adults who have challenges by helping them reach their full potential. Key Connections Consulting is a family-centered organization that primarily operates through a variety of government funded contracts and works with a diverse socio-economic population.

- We are looking for a diverse, enthusiastic, and innovative professional with the ability to multi-task and manage a flexible schedule.
- The individual must be comfortable working as part of a multidisciplinary team and will be expected to participate in assessment, planning, and implementation of intervention programs.
- Speech-Language Pathology supports occur within the home, community and clinic settings. In addition, a large portion of the position is within the school setting.
- Experience working with children on the autism spectrum and those requiring AAC devices is an asset.
- The successful candidate will provide services to children, youth, possibly some adults, as well as provide consultation and supervision to in-home support aides, educational assistants, and Speech-Language assistants.
- Experience working with individuals who have Developmental Disabilities, understanding of varied socio-economic factors, and competency supporting multi-cultural needs is an asset.
- Out of town travel is a requirement and employees are compensated for travel costs.

Additional requirements include:

- Masters Degree in Speech-Language Pathology
- The successful applicant must be registered or eligible to be registered with the Alberta College of Speech-Language Pathologists and Audiologists (ACSLPA)
- Valid driver's license and access to a vehicle
- Criminal Record and Child Intervention Check are required

Resumes will be accepted until a suitable candidate is found.

Please email or fax **COVER LETTER** and resume to:

EmploymentKCC@gmail.com or 403-317-1628 (fax).

For further inquiries contact Charlotte at 403-524-2522.

Resumes submitted without a cover letter will not be considered
